

MARJORIE E. P. PEARMAN 2016/2017

Scholarship Award

Marjorie E. P. Pearman

APRIL 21, 1906 - MARCH 16, 2000

In memory of our mother we hereby invite applications for the Marjorie E.P. Pearman 2016/2017 Scholarship Award.

Our dear mother was a woman of unique artistic talent. This was evident in her inimitable personal style. She regretted the fact that she was not able to further her studies and was committed to assisting and encouraging individuals to work hard towards personal development through education. She believed that this society is enriched when its people are well trained.

This year's recipient was Kamela Wade, a Master's student at New York Academy of Art. In honour of our mother we are again pleased to offer this award to Bermudians pursuing full time or part time study in the arts or design technology.

Please apply in writing submitting a short biography and academic CV to:
