Vice President, Ventures

The VP, Ventures is responsible for structuring and managing RenaissanceRe's new and existing reinsurance joint ventures across all of our lines of business. Specifically, the individual will be expected to structure new joint ventures or managed capital transactions with respect to property and liability reinsurance businesses.

Responsibilities include:

- Execute joint venture projects and create structured reinsurance programs as well as special purpose vehicles according to client needs
- Design vehicles that function across multiple jurisdictions, including Bermuda, Lloyd's of London and the United States
- Create in-depth financial models and assist with negotiating transactions with investors
- Identify developing issues and co-ordinate corrective action with underwriters, analysts, claims and finance personnel
- Undertake financial and risk modelling for Ventures group, including analysis of potential transactions and existing transactions
- Ensure that processes involved in the above activities are well defined and communicated
- Establish new relationships with institutional investors to finance various new funds and/or joint ventures
- Assist in the management and corporate governance of existing joint ventures
- Establish and maintain relationships with various internal and external parties including regulators, rating agencies, brokers and other reinsurers/ILS funds
- Assist in the execution of capital markets transactions such as new cat bond issuances, structured reinsurance transactions and other capital markets deals

Education, Skills & Experience:

- A university degree and/or advanced degree (e.g. MBA or Master's Degree)
- A professional insurance qualification is advantageous
- 10 or more years of experience in the insurance and/or reinsurance industries
- Acknowledged ability to structure marketing and execute packaged reinsurance capital markets products (Joint Ventures, Side Cars, Catastrophe Bonds)
- Extensive industry contacts and solid business relationships within the reinsurance underwriting and reinsurance brokerage community
- In-depth knowledge of commercial available reinsurance models such as AIR, RMS, EQE and others
- Excellent understanding of insurance conditions, products and markets where RenaissanceRe competes
- Background and expertise in probability and statistics
- Proven relationships with investment banks, hedge funds, and other institutional investors
- Detailed knowledge of worldwide insurance and reinsurance markets
- Excellent reputation and a proven track record of developing strong relationships with intermediaries and clients, while retaining complete underwriting objectivity
- Excellent analytical/statistical, communication and interpersonal skills

This is a fast-paced business environment, demanding a strong work ethic and a results-oriented approach.

Written applications with Curriculum Vitae should be forwarded via e-mail to careers@renre.com or to SVP, Head of Group Human Resources, Renaissance House, 12 Crow Lane, Pembroke HM19.
