

Group Ceded Reinsurance Manager

Enstar Limited, a wholly-owned subsidiary of Enstar Group Limited, a Nasdaq listed company which acquires and manages insurance and reinsurance companies, is seeking a Group Ceded Reinsurance Manager. This position will appeal to a well-organized and experienced individual. The successful candidate will be required to manage the financial and insurance affairs relating to run-off operations of both solvent and insolvent clients. The position will require the individual to work on their own initiative, meet strict deadlines and the individual will be required to work additional hours including weekends and public holidays as necessary. International travel at short notice will also be necessary.

Qualifications:

- CA, CPA or ACCA qualification
- Minimum of 10 years post qualification experience with detailed experience of run-off management in the reinsurance industry
- Good working knowledge of Bermudian, British and Japanese regulations
- Extensive experience in the management of Commutations, Collections and Ceded Reinsurance Assets
- Technical experience of London market and US insurance and reinsurance claims and solid understanding of reinsurance accounting, claims and underwriting
- Current knowledge and strong practical experience of US GAAP and SEC reporting relating to insurance and reinsurance companies
- Excellent analytical and accounting skills together with advanced PC spreadsheet skills
- The ability to communicate in an effective and professional manner with both senior management and clients

Please apply in writing enclosing a detailed resume no later than April 8, 2016 to:
