

HOPPER CHIROPRACTIC CENTER is excited to announce its merge with **EQUILIBRIO FITNESS** and will soon operate as one, under the name of **REVIVE Health Center**.

This is a merger of two successful companies with the same philosophy and core values on customer service and care, which strive to educate patients on naturally corrective movements that support structural health. With over 20 years of experience combined in Chiropractic Health Care and specialized Fitness, Wellness and Nutrition, we can provide patients and the general public with a variety of services while introducing the latest innovative equipment to assist with effective training approaches and natural body mechanics, applicable to everyday life.

“We’ll continue to offer the same Chiropractic Care patients can rely on, while an extension of services and classes with emphasis on Natural Movement are added in the format of One-on-One Personal Training or Small Group Classes such as Functional Training, Postural Restoration, Sports Performance such as Golf, Core Conditioning, and Pre & Post Natal classes all in one facility with a Boutique Movement Studio atmosphere.”

For detailed information please visit our website at www.revivehealthbda.com or stay tuned for continuous updates on our Facebook page and Instagram as we expand to better serve you!”
