

## **Live-in Housekeeper/Caregiver**

A client of Pettingill & Co. Ltd. requires the services of a Live-in Housekeeper to provide assistance and care to their family and animals. Duties include housekeeping, laundry, grocery shopping, Celiac meal preparation and responsibility for several animals including two large dogs and seventy cats, some being handicapped, are fundamental to this position. Flexibility with respect to working hours is essential and it will be necessary for the successful applicant to reside with and care for twenty cats as part of their residential duties. In addition, weekend and public holiday work on short notice is required. When the employer is away the successful applicant will be expected to fulfill their charitable duties in the evenings. A valid Bermuda Driver's license is also required.
