### **VICE PRESIDENT, PROFESSIONAL LINES**

Reports to: Senior Vice President, Commercial Practice Leader.

Job Summary: This position will be responsible for the underwriting of a diverse Fortune 1000 client base within the company's Professional Lines commercial company business.

#### **Duties and Responsibilities:**

- Underwrite and develop a commercial company portfolio for a diverse Fortune 1000 client base.
- Evaluate and prioritize submissions.
- Detailed risk analysis and underwriting decision making process.
- Responsibility for program pricing and complex contract negotiations.
- Post binding administration and policy issuance and maintenance.
- Significant and confident contribution expected in client underwriting meetings and broker marketing trips.
- New product development.

#### **Required Skills/Qualifications:**

- Minimum 12 years insurance experience including underwriting a portfolio of commercial company D&O, EPL, Fiduciary, Professional Indemnity, and Blended Programs.
- In-depth technical and current knowledge of primary and excess Professional Lines policy forms and product offerings throughout the Bermuda and US markets. Additionally, significant knowledge and expertise is required specifically of the Lead A-Side DIC D&O product.
- Demonstrate a history of profitable underwriting within the Professional Lines arena.
- Exhibit strong technical understanding of the risk exposures relevant to Professional Lines clients in diversified businesses but particularly within the Energy, Healthcare and Technology sectors.
- Strong communications skills and proven ability to negotiate complex underwriting issues and contract wordings.
- Demonstrate a detailed knowledge of the global macroeconomic and regulatory environment effecting Professional Lines clients.
- Long-term relationships with risk management teams within our target Fortune 1000 client base.
- Significant knowledge of and strong relationships with the specific Professional Lines broking teams within the Bermuda and US broking companies.
- Proven ability to create and launch new products.
- Experience of regular business travel and confidence in conducting underwriter meetings independently.
- University Degree in Business, Finance or Economics. MBA preferred.
