

**The Sandpiper Guest House and Rental Properties
are seeking applicants for the following positions:**

Live-in Maintenance and General Support Person

The successful candidate will be responsible for and capable of the maintenance of plumbing, all electrical components, carpentry, painting and grounds on the properties. The successful candidate must be available for emergency calls.

The five day working week will include weekends and public holidays. The successful candidate will be non-smoking, with a pleasant and cheerful manner.

Live-in Housekeeper

The successful applicant will be responsible for the domestic side of the operation. Duties include the cleaning of guest rooms, front desk operations such as taking reservations, checking guests in & out and the settling of guest accounts. This applicant must be computer literate with excellent client facing skills. The six day working week will include Saturday's, Sunday's and all public holidays.

The successful applicant will be experienced in both housekeeping and guest relations, pleasant, cheerful and neat in appearance.
