Under Public Service Commission Regulations, the canvassing of any member of the Legislature in regard to a Government post will disqualify the applicant for appointment.

Closing time to apply for positions is 7:00 p.m. local Bermuda time on the stated closing date.

Ministry of Tourism Development and Transport

MARITIME OPERATIONS CENTRE CONTROLLER

PS 28-30 \$85,639 – \$92,096

Marine & Ports Services

Job Number: DHR00953 (300011)

The Maritime Operations Centre Controller works under the direction of the Senior Maritime Operations Centre Controller. The post-holder is responsible for performing duties associated with the Maritime Search and Rescue Service, Coastal Radar Surveillance (VTS) and Marine Communications Service which includes channel clearance to ships and the processing of foreign recreational vessels arriving and departing Bermuda. The post-holder will be responsible for communicating with all vessels, with a strong emphasis on preventative SAR with non-commercial vessels.

The post-holder must possess a minimum of a merchant marine Maritime Radio Communications General Certificate (MRGC) or Electro-Technical Officer Training with Radio and Radar modules or a Class IV Watch keeping Certificate or equivalent with Coast Radio Station GMDSS Communication training certification to a Commonwealth standard. The post-holder must possess a minimum of five years' experience in marine communications, traffic services and incident (SAR) case management. Candidates who possess an IALA V-103 VTS Certification or equivalent and have successfully completed a recognized Maritime Search and Rescue Planning course are preferred. Coast Guard watch standers or those persons with a military (naval) background and the demonstrated competencies in the above areas (i.e. Communications, Radar/VTS and SAR planning) can also be considered.

Familiarity with the COSPAS/SARSAT system is required so as to assist with the beacon registration process and to permit timely response to 406 MHz Beacon distress alerts and ship security alerts from Bermuda registered ships and aircraft operating worldwide.

This position involves a single person watch rotation with shifts of 6, 8 and 10 hours in duration. The exigencies of the single person watch rotation may, as a rule, prevent meal and relief breaks from occurring in a systematic and guaranteed way.

Closing date: 27th April 2016

Ministry of Public Works

ESTATES SURVEYOR (4 posts)

PS 32-34 \$99,048 - \$105,765

Public, Lands and Buildings

Job Number: DHR00952 (811609, 810039, 811611, 811640)

The Estates Surveyor works under the general direction of the Senior Estates Surveyor, to manage, supervise, direct and control all aspects of the Estate Section's activities to provide estate management services and advice to the whole of Government and the general public. The post-holder also shares the recruitment and supervision of the Graduate and Trainee Estate Surveyors and the supervision of the Residential Accommodation Officer for specific issues and provides support and advice to the Senior Estates Surveyor on the annual budget submission. The post-holder will also share responsibility for the technical and professional records management and preservation of work produced by the section.

The post-holder must possess a Bachelor's Degree in Estates Management or equivalent, and be a Member of the Royal Institution of Chartered Surveyors (Valuation or Commercial Property Faculty) and be qualified for registration as a Professional Surveyor in Bermuda. A minimum of three years' post qualification (MRICS) experience in estates management and valuation is required. Computer literacy and familiarity with property orientated IT systems is essential.

Closing Date: 27th April 2016

PARK PLANNER

Parks

PS 32-34 \$99,048 - \$105,765

Job Number: DHR00938 (680003)

The Park Planner works under the direction of the Director of Parks, to develop and formulate management plans and policies for the protected areas under the Bermuda National Parks Act. This will include design work and landscape architecture for the Department.

The post requires a Master's Degree in Planning or a recognized institution, with training in landscape design/ architecture, or a recognized Bachelor's degree in landscape architecture, geography, environmental studies or equivalent, with a professional designation in planning, design or related field. A minimum of three years' post qualification experience in park planning, design and development is also required.

Closing date: 27th April 2016

The Cabinet Office

IN-HOUSE CENSUS OFFICER (6 posts)

(short-term assignment up to 6 months)

PS 16 \$1,099.38 per week

Statistics

Job Number: DHR00955

The In-House Census Officer will work under the direction of a Census Supervisor to receive interviewers and ensure quality of submitted electronic/paper questionnaires and forms. The post-holder will conduct census interviews, maintain census databases, review and clear voicemails and schedule telephone interviews. In addition, the post-holder will carry out other duties not specified as directed by the supervisor.

The post-holder must possess an Associate's Degree or equivalent. A minimum of two years' office experience with supervisory experience is also required. In addition, the post-holder must have strong data entry skills with proficiency in Microsoft Word and Excel.

The ideal candidate will be a quick learner, focused, a team player and self-motivated. Applicants must possess good organizational and communications skills, the ability to multi-task and have a keen eye for detail.

Preference may be given to persons who have worked satisfactorily for the Department during previous censuses and surveys.
