Analyst

Securis ILS Management, Bermuda, is a wholly-owned subsidiary of Securis Investment Partners LLP ("Securis") and was formed in 2014. Securis, a London-based Investment Manager established in 2005, is authorised and registered with the UK FCA and currently employs over 40 individuals with presence in 5 countries. Securis manages assets of approximately \$3.6bn across 5 open-ended Cayman funds and various managed accounts.

Securis is expanding the Bermuda team and is seeking an Analyst.

Duties & Responsibilities:

- Risk modelling and pricing using licensed cat models and pricing systems
- Support the underwriting process by assisting with the quantitative and qualitative evaluation of submission materials including liaising with underwriters, brokers or other third parties as required
- Produce/present portfolio-level underwriting reports
- Ensure accuracy and integrity of underwriting data within core systems
- Assist with monthly reporting and valuation for the funds as needed

Minimum Qualifications, Skills & Experience:

- Numerate honours degree (or equivalent) with desire to attain industry qualification(s)
- Strong IT skills; knowledge of SQL/VBA/R preferred
- Ability to work effectively both on an unsupervised basis and as part of a team
- Flexibility to work evenings, weekends and public holidays as required by the business
- Ability to travel as required by the business

To apply please send your resume to bdajobs@expertise.bm or apply online at www.BermudaJOBS.com.

All enquiries will be dealt with in strict confidence.

Closing Date: **April 27, 2016**
