*Allied World Assurance Company, Ltd is an
Equal Opportunity Employer*

The successful candidate will be responsible for the management and profitable growth of a large Bermuda portfolio of healthcare business.

Responsibilities Include:

- General underwriting functions i.e. underwriting application/submission review, pricing analysis, setting of terms and conditions and quote/binder/invoice authorizations.
- Referral manager of all Bermuda Medical Malpractice authorizations i.e. account pricing/terms and conditions for quote and binder authorizations.
- Management of the Healthcare staff including delegation of duties and special projects, performance and salary reviews, training and development.
- Implementation and maintenance, in conjunction with the Chief Underwriting Officer, of underwriting guidelines, systems and procedures including overseeing use and development of Policy Forms and Endorsements.
- Product Development.
- Liaise with Actuarial Department to develop and enhance premium benchmarking and pricing models.
- Liaise with Information Technology staff on Management of Information Systems.
- Liaise with Claims Department on any Healthcare claim activity and overall market claim concerns which could potentially affect HealthCare profitability.
- Liaise with Risk Management Department.
- Participate in the management of Ceded Re relationships and buying process.
- Meet with broker management regularly to discuss production, service and other topics relative to Healthcare operations.
- Fostering good long-term broker and, where viable, client risk-manager relations.
- Ensure the department passes all underwriting and compliance audits.
- Other duties may be assigned.

Education, Skills and Experience:

The successful applicant will preferably have the following:

- University Degree.
- Minimum 15 years' experience in the Insurance industry with at least 10 years healthcare specific experience.
- Minimum 3 years of supervisory experience to include profit and loss responsibility.
- Specialized courses in risk management and insurance – CPCU designation, RPLU etc.
- Extensive contacts within the Healthcare Industry- clients, brokers etc.
- Experience dealing with senior brokers and risk managers.
- Strong marketing, negotiating and presentation skills.
- Working knowledge of Microsoft Office Suite.
