

## **Manager, Finance Analyst**

Validus Holdings, Ltd. ("Validus") is a holding company for reinsurance and insurance operating companies and investment advisors including Validus Reinsurance, Ltd. ("Validus Re"), Talbot Holdings Ltd. ("Talbot"), Western World Insurance Group, Inc. ("Western World") and AlphaCat Managers, Ltd. ("AlphaCat").

Reporting to the SVP, Corporate Controller, the Manager, Finance Analyst will be primarily responsible for assisting the finance team on a number of group projects. Validus is embarking on a multi-year program to ensure continued delivery of world-class financial systems to the Company's expanding global operations.

### **Responsibilities will include but are not limited to:**

- Gathering and documenting objectives and requirements of project stakeholders;
- Analyze the business objectives and develop solutions to the stakeholder requirements;
- Researching and recommending vendor(s) for assessment against requirements;
- Develop, manage and perform testing ensuring adequate documentation;
- Liaise with vendor(s) engaged in the project to ensure stakeholder requirements are communicated and satisfied; and
- Assist with tracking risk, issues and other tasks associated with the project.

### **The successful candidate will meet the following requirements:**

- Bachelor's degree and an Internationally recognized accounting designation required;
- Extensive experience working with the SUN suite of products and GL is required;
- Extensive experience of building finance reports and data analysis is required;
- Experience with SAP products preferred;
- Thorough knowledge of US GAAP, working in a multicurrency environment;
- Experience within the Lloyds market including understanding of Syndicate accounting and Solvency II reporting requirements preferred;
- Proven financial, accounting and analytical skills as well as experience with systems management and technology as they relate to accounting; and,
- Proficiency with the Microsoft Office Suite of applications, particularly MS Excel.

This post will have the opportunity to drive forward the introduction of new technologies in line with the vision of having scalable, sustainable and transparent finance systems benefiting Finance and the Company as a whole.

If your experience matches the above criteria, please send your resume and covering letter highlighting your experience as relevant to the role to:
