- Expertise in ILS/(re)insurance market
- In-depth working knowledge and understanding of Bermuda Insurance and Investment Funds Legislation and Regulations
- Working knowledge of insurance and mutual fund legislation and regulations of the Cayman Islands and/or Ireland is an advantage
- Proficient skills in Microsoft Office suite
- Excellent verbal and written communication skills.
- Enthusiastic and strongly motivated self-starter.
- Strong organizational skills with demonstrated ability to solve problems and meet deadlines under pressure in a dynamic and fast paced environment
- Able to work overtime and on weekends when required

Responsibilities include but are not limited to:

- Provide strategic legal advice to the executive team on a wide variety of matters
- Assist with the incorporation and licensing of insurance, fund and other entities
- Draft, review and negotiate internal and external contracts and documents
- Assist with corporate legal and regulatory requirements and documentation
- Manage and interact with clients' in-house and external counsel and compliance officers
- Manage Horseshoe Group corporate and compliance matters
- Provide legal support for the provision of corporate services to client entities
- Provide legal advice on contract interpretation, risk management, data privacy and AML/ATF and corporate policies and procedures, including employment and other policies, standards and procedures
- Assist with managing on site regulatory visits as licensed entities from regulatory authorities
- Other responsibilities as needed to ensure quality client service
- Maintain expert knowledge in relevant offshore, U.S. domestic and foreign law.
- Support internal compliance oversight function and act as Compliance Officer for the Group
- Train staff on legal, compliance and regulatory matters

This is an excellent career opportunity with a fast-paced growing company.
