Our client, Maiden Reinsurance Ltd., is a Bermuda class 3B reinsurer focused on providing customized reinsurance solutions to the non-catastrophic property and casualty industry and is rated A- (excellent) by A.M. Best.

Maiden is looking for an exceptional candidate to assume the role of Pricing Actuary located in Bermuda.

### Key Responsibilities:

- Perform reviews and analyses for new and renewal international contracts
  - o Quota Share and Excess of Loss contracts
  - o Property & Casualty business including but not limited to: General Liability, Workers' Compensation, Motor, Hospital Liability, Warranty and Property
  - o Perform Risk Transfer testing
- Develop pricing tools and support general accumulation of pricing knowledge
- Support global actuarial function
- Communicate pricing results to clients and senior management
- Work closely with clients to improve knowledge transfer
- Work closely with finance staff and other actuaries to better understand client data and results
- Conduct peer reviews of pricing and reserving analyses
- Perform general data extraction and processing
- Monitor large losses and produce catastrophe exposure analyses
- Support various projects on an ad-hoc basis. Examples include the budgeting process and IT enhancements.

### Minimum requirements, skills & experience:

- Undergraduate degree in Mathematics/Actuarial Science or related field
- 7 years of actuarial experience in reserving, pricing or risk management of property & casualty risks
- A minimum of 2 years European specific actuarial experience
- A Fellow of the Casualty Actuarial Society or equivalent
- Advance level knowledge of financial reporting methodologies
- Experience with solvency II, capital modelling or reserve variability
- Excellent analytical, technical and research skills
- Advance level software skills, especially with Excel, Access and VBA
- Effective written and verbal communication skills with the ability to communicate actuarial information to other disciplines
- Language proficiency in French, Spanish or German is preferred
