

# **ABR Re**

ABR Reinsurance Ltd. is an innovative and growing independent reinsurer. We raised approximately \$800 million and commenced operations in early 2015. Through unique long-term arrangements, The Chubb Group is the sole source of reinsurance risks ceded to ABR Re, and BlackRock Financial Management is ABR Re's exclusive investment management service provider. We underwrite a portion of a broad selection of reinsurance treaties that Chubb places with the traditional reinsurance market and invest our assets in a diversified and dynamic alternative investment portfolio managed by BlackRock, the world's largest investment manager.

## **Senior Reinsurance Accountant**

### **Duties / responsibilities**

The Senior Reinsurance Accountant will work on the entire spectrum of reinsurance accounting activities as a bridge between the company's underwriting, actuarial, and finance functions. Specific responsibilities include:

- All aspects of maintaining monthly premium and claims processing details for accurate recording and monthly underwriting close
- Reviewing treaty premium receipts to verify accuracy, in timeliness and amount, against internal documentation and bordereaux received, and logging, reporting on, and liaising with broker and cedent to resolve any discrepancies
- Monitoring aging of accounts receivable
- Supporting quarterly close, financial reporting, and financial planning and analysis
- Additional projects or responsibilities as may be required

### **Qualifications**

The ideal candidate for the Senior Reinsurance Accountant position will possess:

- Bachelor's degree from an accredited university, with an excellent educational background and strong quantitative skills
- Professional accounting designation (e.g. CPA, CA) strongly preferred, and (re)insurance certification (e.g. CPCU, ACII) would be an asset
- Minimum four (4) years of relevant business experience gained in a leading accounting firm, (re)insurer, or similar accounting and controls-oriented environment; property / casualty industry background strongly preferred
- Experience with and knowledge of U.S. GAAP, (re)insurance company accounting, financial reporting, and financial controls
- Excellent Microsoft Excel and PowerPoint skills
- Excellent analytical, oral and written communication, and interpersonal skills
- Ability to read and understand reinsurance contracts; technical knowledge preferred
- Strong work ethic, including demonstrated ability to meet tight deadlines and work extended hours and weekends when required
- Comfort in interacting with senior executives and coordinating project teams
- Desire to learn and grow professionally in an energetic and entrepreneurial small team environment

ABR Re offers a competitive compensation and benefits package, including life, health, dental, and disability coverages.
