Live-In Caregiver/Housekeeper

Our client, Mrs. Julia Rans, requires a Live-In Caregiver/Housekeeper, who is honest, responsible, mature and compassionate, to care for an energetic gentleman with advanced stages of Parkinson's disease.

The successful applicant must be available to live-in and be willing to remain in the employer's home and assume full care of the patient in the absence of the employer. The incumbent will assist the employer with general care, hygiene care, meal preparation, grocery shopping, planning outings, and light/heavy housekeeping duties related to the patient. The patient has mobility restrictions, and as such full supervision of his activities and an able bodied caretaker is required to ensure his safety.

The successful applicant must be a non-smoker, a strong swimmer, and have proven "elder care" work experience/training with excellent "caregiving" employment references. The applicant must be available to work some evenings, weekends and public holidays when required and possess a valid Bermuda driver's license or be will to obtain one. The applicant must be willing to travel to the US and other countries when required. First Aid training and CPR training are required. In addition, applicants must be comfortable with very large dogs as the applicant will assume care of the family pets in the employer's absence.

Interested? Please email jobs@expertise.bm.

All Inquiries will be dealt with in strict confidence.
