VP, Ventures

Reporting to the SVP, Ventures, the VP, Ventures supports all aspects of operations and management, business development and transaction execution across two businesses: (i) catastrophe reinsurance joint ventures, including insurance linked securities and (ii) public and private strategic investments.

Responsibilities include:

- Assist in the operation and management of all joint ventures, including DaVinci, Top Layer and Upsilon Fund
- Coordinate with legal, accounting and risk management functions related to our reinsurance joint ventures
- Assist in relationship management and outreach with existing and new reinsurance joint venture investors
- Assume responsibility for investor communications, including performance, financial reporting and new investments
- Oversee the corporate governance function related to all existing and future joint ventures
- Assist in structuring new catastrophe reinsurance joint ventures
- Assist with joint venture capital management
- Support the management of the in-house ILS portfolio and any catastrophe bond issuances
- Work with the underwriting department to develop capital markets reinsurance capacity
- Assist with the management of the strategic investments portfolio (public equity, private equity, debt, other)

Education, Skills & Experience:

- A university degree with an emphasis on business administration essential; accounting designation or JD preferable
- A minimum of 5 years' experience in a senior role at a sophisticated re/insurance, reinsurance broker or a catastrophe modeling firm
- M&A and capital raising experience in the insurance or financial services industry
- Structuring expertise in re/insurance joint ventures and special purpose reinsurers

- Catastrophe bond reporting experience preferred
- Strong computer skills including advanced knowledge of Excel
- Knowledge of the reinsurance underwriting process, including reinsurance structures and terms and conditions of property catastrophe reinsurance
- Knowledge of broker/client relationships, the negotiation process and the motivations of each of the parties
- Superior quantitative, written and verbal communication and negotiation skills
- Strong interpersonal skills with the ability to communicate professionally at all levels of the organization as well as externally with key clients, brokers and vendors
- Self-confidence and maturity to appropriately represent RenaissanceRe in all professional and social settings

This is a fast-paced business environment, demanding a strong work ethic and a results-oriented approach.
