

Our client – Greenlight Re, invites applications for the position of:

Reinsurance Accounting Manager

Our client, Greenlight Re, is an SEC listed specialist Property & Casualty reinsurance company. Due to continued business growth, the company is looking to recruit a Reinsurance Accounting Manager.

The role is based in the Cayman Islands.

Reporting to the Financial Controller, duties and responsibilities will include to:

- Supervise collateral process, both administrative and accounting;
- Manage session technical reporting process;
- Maintain reinsurance sub-ledger;
- Manage the monthly accounting close cycle, ensuring all deliverables (including Underwriting Analysis) are completed accurately and on-time;
- Provide oversight of reinsurance accounting staff;
- Run monthly and quarterly analytic reports, review for data accuracy;
- Provide backup coverage for various senior finance members' responsibilities;
- Assist with certain aspects of SEC reporting documents (Forms 10-Q and 10-K);
- Assist with analyzing, setting up and documenting processes across departments;
- Assist with Solvency II and other Regulatory/Audit requirements;
- Work closely with actuarial/reserving department providing support as needed;
- Work closely with reinsurance system consultants, dealing with ongoing issues and or developments as required; and
- Gain in-depth knowledge of the reinsurance reporting system, become proficient on building system reports for end users.

Required:

- An accounting qualification from a recognized accounting body (e.g. CA, CPA, ACCA);
- A minimum of 5 years' experience in the financial services industry post qualification;
- At least one year prior working knowledge within the Reinsurance or Insurance industry;
- Proficiency in the use of Microsoft Excel and Word;
- Previous experience with SICS, SAP Business Objects and Sage ERP would be advantageous;
- The availability and dedication to meet time sensitive deadlines which includes working overtime, including weekends, as needed. This is essential as part of the finance team in our SEC listed company;
- Self motivation and the ability to work efficiently and effectively with minimal supervision; and
- High level analytical and problem solving abilities.
