

On behalf of our client, Hamish McCallum of Pembroke Parish, we are seeking to employ a **full-time live-in child caregiver and housekeeper**. The successful applicant will be responsible for providing care for a 7 month old baby and general housekeeping duties.

The role includes providing care for the baby on a full-time basis and general housekeeping duties. Applicants should be able to provide a safe and stimulating environment for the baby, and take the baby to music classes, reading classes and other baby related activities. General housekeeping duties include tidying up, vacuuming, dusting, cleaning of the bathrooms and laundry. The successful applicant will also be responsible for seasonal deep cleanings and special projects as assigned, including carpets and windows, and organizing and managing household inventories, closets and storage areas. Applicants will also be responsible for grocery shopping for the family and meal preparation for the child and the family.

Applicants must be non-smokers with valid Bermuda drivers' licences (or willingness to obtain a Bermuda driver's licence). Applicants should also be certified in child first aid, or be willing to obtain the certification before starting work. It is essential that the applicant is willing to work a flexible schedule, including nights and weekends on short notice, and is able to commit to two or three years of service in order to provide continuity for the child. Applicants should have a positive, energetic and caring attitude and should have at least one year of childcare experience including meal planning and preparation and structured play. Applicants should also have previous experience with housekeeping duties. Ability to speak foreign languages would be advantageous.

***Closing date: 6 July 2016***
