

Fire Protection Sales Technician

Air Care Ltd, is currently seeking a highly motivated Fire Protection Sales Technician.

The successful candidate will be responsible for pricing and sales of fire protection maintenance agreements and projects as well as reviewing inspections, evaluation, testing and verification of the following:

- Sales of Fire Protection maintenance and project agreements
- Stationary Fire Pump Installations/Inspections to NFPA 20 Standard Fire Code
- Sprinkler Installations/Inspections to NFPA 13/25 Fire Code
- Special Hazard Systems Installation/Inspections to NFPA 12a/2001 Fire Code
- Commercial Kitchen Systems Installations/Inspections to NFPA 17a/96
- Fire Alarm NFPA 72
- Room Integrity Testing

The successful candidate should possess the following qualifications and qualities:

- Minimum of 5 years experience in a Fire Protection technician role in fire pump, fire alarm and fire sprinkler systems.
- Possess a professional designation e.g. CFAA (Canadian Fire Alarm Association) &/or NICET (national Institute of Certification in Engineering Technology), CFPS (Certified Fire Protection Specialist).
- Have experience with inspection and testing of Fire Pump, Fire Sprinkler and Fire Alarm Systems.
- Demonstrate a willingness to provide customised cost-effective solutions to customers.
- Ability to read and interpret mechanical drawings and electrical schematic diagrams.
- Follow sales processes, specific sales training will be given for the successful candidate.
- Excellent written, inter-personal, communication and presentation skills.
- Ability to work both as a team member & independently as required.
- **Applicant must be flexible to the demands of the business during evening, weekends and public holidays as required.**

An attractive salary and benefits package is offered and will commensurate with experience.

Applications will be held in the strictest of confidence
