

JOHN BARRITT & SON LTD
ESTABLISHED 1874

EQUIPMENT SERVICE TECHNICIAN

We require an equipment service technician to repair and install our wide variety of beverage vending & dispensing equipment.

Applicants must be mature and responsible in attitude and be able to work alone with a minimum of supervision. It is essential that all work be completed to high standards with speed and efficiency. As service department work is often under emergency conditions you must be able to calmly assess the situation and properly handle customer concerns in a professional manner.

You must have good knowledge and experience in both electrical circuitry and plumbing as well as skills in equipment troubleshooting. Refrigeration experience would be an asset. There will be on the job training in the wide range of equipment that we use.

You must have a valid intermediate truck license and be in good physical condition as the job requires lifting and working in various conditions out in the field.[bending, kneeling, squatting etc.]

If you are interested in this position please send your resume by email to Mr. Eric Bell, at eric@barritts.bm or deliver it to his attention at our offices at 33 Vermont Road, Smith's Parish, FL 02.

No telephone enquiries please.

John Barritt & Son Ltd is an equal opportunity employer.
