

HARNEYS

Harneys Bermuda Limited is seeking to recruit a talented and outstanding individual to fill the following role:

SENIOR CORPORATE LAWYER

Duties & Responsibilities

- Providing advice to and working with a broad base of sophisticated international clients including investment banks, (re)insurance companies, investment and fund managers, trustees, custodians, and financial intermediaries
- Responsible for providing case management and associated leadership within a highly motivated team of corporate attorneys

Minimum Qualifications, Skills & Experience

- At least 7 years post qualification corporate/commercial experience
- Wide experience in corporate finance and banking transactions, IPO and cross-border M&A transactions and asset finance is essential. Experience in aviation, shipping and ILS is preferred
- Proven knowledge of ISDA and other standard capital markets agreements and documentation
- Track record of success structuring and documenting a wide range of securities transactions, credit derivatives, credit linked notes, total return swaps, structured products and asset-backed transactions
- Experience working with corporate formations, acquisitions, divestitures, reorganizations and portfolio transfers
- Extensive experience in private equity partnerships and investments as well as public and private placement offerings of debt and equity
- Demonstrable experience in product development, compliance and complex regulation
