Chief of Staff

Bermuda Hospitals Board (BHB) is a progressive and clinically driven provider of health services to the people of Bermuda and a wide range of overseas visitors. Operating from King Edward VII Memorial Hospital, Mid-Atlantic Wellness Institute and the Lamb Foggo Urgent Care Centre, BHB offers comprehensive diagnostic, treatment and rehabilitative services to Bermuda's full spectrum of medical and mental health needs. On behalf of BHB, we invite applications for the position:

Chief of Staff

As Chief of Staff, the most senior physician within BHB, the successful applicant will lead BHB's highly regarded medical workforce, providing visionary leadership as well as guidance across a range of key functional areas. A key responsibility is to ensure that our transformation strategies and plans are delivered in a safe and sustainable environment which provides both value for money and quality patient outcomes.

At a minimum, applicants must be a be a Board Certified Physician with 10+ years experience as a Medical Doctor, at least 5 years which must be in a Physician Chief role or other position of medical leadership regularly involved in the provision and oversight of clinical services. Candidates must possess a demonstrated knowledge and experience in the migration to electronic health records and new 'value based' modes of reimbursement as well as a track record of improving organizational performance.

All applications will be held in strict confidence.

Enquiries should be directed to Malika Taylor on 278 3079 or malika@expertise.bm.
