Vice President – Investment Grade Credit Analyst

Arch Investment Management Ltd. (AIM), based in Bermuda, is a wholly-owned subsidiary of Arch Capital Group Ltd., a leading insurance and reinsurance company. Arch Capital has more than \$7.5bn of capital and investable assets of more than \$15bn. Arch Investment Management Ltd. is responsible for managing the portfolios of Arch Capital and its subsidiaries. The continued growth of the company has created the need to fill a position within our Investment division.

The successful candidate will have primary responsibility for credit analysis and for monitoring Arch's corporate bond portfolio, in support of the portfolio management team. We anticipate this portfolio to grow to an approximate \$4.0 billion in coming months from its current approximate \$2.6bn. In addition, this position will support the portfolio management team by delivering relative value trade ideas across industries, sectors and capital structures. This position will also have responsibility for overseeing the progress and productivity of current and prospective junior analysts.

Minimum Qualifications, Skills & Experience:

- An undergraduate degree from a top college or university
- CFA certification
- A demonstrated record of success spanning at least 7 years in corporate bond credit analysis at a major bank, investment bank, institutional money management firm or major insurance/reinsurance company
- Broad and deep familiarity with the global corporate credit markets in investment grade. Familiarity with the high yield market and with structured products a plus
- Significant understanding of quantitative credit analytical tools such as Moody's KMV and its application to a multi-sector portfolio
- Proven established relationships with research departments of major brokers/dealers
- Experience overseeing and directing the work product of junior analysts

To apply please send your résumé to bdajobs@expertise.bm or apply online at www.BermudaJOBS.com.

All enquiries will be dealt with in strict confidence.
