

Vinyltech

(A division of RSJ LTD)

Sales/Customer Service Manager

Our company manufactures and supplies a wide variety of products to the building trade and we are looking for a person with experience in the industry to join our group. In this position, the person will be expected to meet with customers, architects & contractors to help them in purchasing and installation decisions. We are looking for a competent, outgoing person to expand our current customer base.

- Must have at least 8 years proven sales and marketing experience in the building trade.
- Must have excellent organization & communication skills.
- Must be computer literate and experienced in all Microsoft Office products.

Remuneration for this position is based on performance.

If you do not have the above experience, please DO NOT apply. This is not a training position.

Only Bermudian's or Spouse of Bermudian need apply.

Please apply in writing with current references to the **General Manager, Suite 1656, 48 Par-La-Ville Rd, Hamilton HM11, or at vinyltech@logic.bm**.
