

PROGRESS. PASSION. POSSIBILITIES.

KPMG professionals are individuals who take deep, personal accountability for their work; have a passion for excellence; remain driven to achieve their full potential; and understand the value of building relationships with clients, future clients, their communities, the global firm and each other. A KPMG professional has a strong work ethic, thrives on challenges, and is dedicated to providing outstanding client services.

KPMG in Bermuda serves an international client base. The Advisory team can help businesses address the most complex challenges by drawing on resources and skills across its global network. We are looking for a Manager to support us in maintaining our reputation as a leader in Advisory services both in Bermuda and globally.

Manager

KPMG Advisory is looking for a Manager with significant experience and proven track record in Strategy and Corporate Finance, including, but not limited to, experience in managing a diverse portfolio of engagements and working with multi-disciplinary teams to deliver the following services:

- Strategic and business planning;
- Operational transformation;
- Customer strategy and growth;
- Financial and commercial due diligence;
- Financial modelling, forecasting and budgeting;
- Valuation services; and
- Sector-specific research and quantitative analysis.

Candidates must have the following qualifications, skills and attributes:

- A Bachelors degree or above;
- A minimum of four years of experience in an advisory business providing the aforementioned advisory services to a broad range of international and local clients;
- An accounting or financial analysis qualification is essential to this role;
- Extensive experience working with clients to deliver strategy, change management and transformational programmes, in the context of transactions or otherwise;
- Strong presentation skills as the role requires regular internal and external presentations to be delivered as well as a proven ability to competently discuss related matters with clients;
- Excellent business development skills;
- Excellent client relationship skills;
- First class written and oral communication skills with the ability to produce and review complex financial reports and proposals;
- Exceptional people skills with the ability to work well with staff of all levels, including the ability to coach and develop team members;
- Be a strong team player with a proven ability to work effectively with senior management, ideally on complex cross border engagements with multi-jurisdictional teams;
- A self-motivated individual with the ability to multi-task on a daily basis and maintain high levels of drive and resilience;
- A high degree of competence in Microsoft Word, Excel, PowerPoint and Outlook is required; and
- A willingness and capacity to work overtime at short notice is essential as this is a highly demanding environment with very tight reporting deadlines.
