## Senior Risk Management Actuary

Our client, Qatar Reinsurance Company Limited (Qatar Re), is a licensed Class 4 reinsurer writing multi-line coverage globally for all major property, casualty, and specialty lines of business. Their strong team of seasoned underwriting and financial professionals offers clients a unique experience and extensive in-depth technical and industry expertise within across all international markets.

Qatar Re is seeking a Senior Risk Management Actuary, reporting to the Chief Risk Officer, at Bermuda headquarters. The incumbent will play an integral role in the expansion and independence of the corporate risk function, bringing actuarial and modelling expertise that will enhance the development of risk analysis and reporting capabilities, in addition to evaluating potential transactions.

### Duties & Responsibilities:

- Lead the production of financial condition reporting
- Drive the implementation of CISSA along with advanced tools and systems to support automated risk monitoring
- Produce quarterly reports and regular presentations to address risk appetite and tolerance for executive management and board consumption
- Provide input on BSCR computations, working in partnership with finance colleagues
- Supply senior technical expertise related to regulatory and rating agency modelling, including capital modelling and actuarial team support
- Support special projects, notably on transactions and subjects surrounding capital relevant projects and footprint growth
- Work within multi-disciplinary teams including underwriting, IT, and actuarial as required

### Qualifications, Skills & Experience:

- Fully qualified member of UK IFOA, US, CAS or equivalent
- At least 4 years post qualification experience
- Direct Bermuda market and regulatory expertise primarily in Bermuda EBS, capital and solvency rules, and disclosure requirements
- Proven track record with IFRS reporting, and specifically insurance reserving
- Demonstrated Solvency II and applied emerging international capital regime knowledge
- Capital model validations and due diligence transaction expertise
- Experience advising and presenting to executives on strategic capital management initiatives
- International travel
- Existing relationships with the BMA, rating agencies and industry associations would be advantageous
