## Analyst

On behalf of our Client Elementum (Bermuda) Ltd., an alternative asset investment manager focusing on insurance-linked strategies, we are seeking a highly motivated individual to assist in the evaluation, execution and ongoing maintenance of collateralized reinsurance investments. The ideal candidate will have experience within an ILS investment manager or reinsurance company and possess solid analytical and problem solving skills.

### **Responsibilities will include:**

- Preparation of portfolio management reports
- Preparation and review of transaction documents
- Research and preparation of detailed analysis to support the evaluation of investments
- Ongoing research efforts and ad-hoc projects

### **The successful candidate will possess:**

- Bachelor's degree
- CFA or CPCU completion or advancement a plus
- Motivated self-starter with desire to operate in a fast-paced environment
- Strong organizational and communication skills
- Excellent attention to detail
- High proficiency with technology, with specific expertise in business and financial programs

To ensure a smooth application process, please direct all enquiries to:  
Steph Thomason c/o Island Employment Partners Ltd.

**Closing date:**  
**Wednesday, 23rd November 2016**
