SENIOR INTERIOR DESIGNER

We are seeking a talented Senior Interior Designer to join our growing team to provide interior design services in a wide range of commercial projects. The successful candidate will have 8-10 years of professional experience in the corporate and commercial sectors, will be a motivated self-starter with the ability to manage multiple projects, client liaison, budgeting, in addition to performing full-scope design services. We require a team oriented individual who performs well under pressure and must have proven ability to work with and motivate junior staff. Overtime will be required at times to meet project deadlines.

Pre-requisites include but are not limited to: Proficient AutoCAD 2013 and up; Photoshop, Revit and Sketchup knowledge is an asset; Full Knowledge of MS Office Programs including MS Project; Ability to coordinate full working drawings, details, and specifications; Project Management experience for mid-to-large size projects; Strong contract administration skills.

Please send resume and sample portfolio to:

commercial.interiors.group@gmail.com. Closing date 7th December, 2016.
