

Corporate Actuary

Enstar Limited, a wholly-owned subsidiary of Enstar Group Limited, a Nasdaq listed company which acquires and manages insurance and reinsurance companies is seeking a Corporate Actuary. This position will appeal to a well-organized and experienced individual. The position will require the individual to work on their own initiative, meet strict deadlines and work additional hours including weekends and public holidays as necessary.

The main responsibilities of the position are as follows:

- Assume responsibility for producing Technical Provisions in the EGL Economic Balance Sheet filed with the BMA.
- Assume responsibility for all actuarial disclosures in the EGL 10Q and 10K filings.
- Assume responsibility for reserving in respect of Group Intercompany transactions. This will include demonstrating transfer pricing requirements are met as needed.
- Provide support to the Group Chief Reserving Actuary in compiling necessary materials and supporting documentation for quarterly reserve committee meetings.
- Assume responsibility for various ad-hoc reserving-related projects – for example ULAE reserving and in-house estimation of future cash flows.
- Assist with the operation of and ensure compliance with Internal Control framework around reserving.

Qualifications:

- Must have actuarial qualification (ACAS/FCAS, FIA) with 5-10 years of reserving experience for Non-Life business.
- Accounting qualification (CPA, CA), knowledge of ResQ reserving software and good data management skills would be an asset.
- Ability to work collaboratively with a variety of individuals in a variety of functions (e.g. finance, claims, underwriting, actuarial, operations) located in a variety of offices (US, UK, Australia, Bermuda).
- Strong communication skills with the ability to lead projects involving various stakeholders across the group.
- Highly motivated individual who can work extended hours as required.
- Good problem-solving abilities, adaptable, results driven individual with the ability to meet strict deadlines.

Please apply in writing enclosing a detailed resume no later than December 9, 2016
