Vice President – Financial Lines Underwriter

Iron-Starr Excess invites candidates to apply for the position of Vice President, Financial Lines Underwriter. The position will report directly to the Financial Lines Manager with underwriting and production responsibilities related to account management, account servicing and managing client relationships.

Duties will include:

- The analysis and underwriting of excess Financial Lines risk classes including Transactional Liability, Loss Mitigation, Cyber Liability, Title, Directors & Officers Liability (including A side), Errors & Omissions Insurance, Employment Practices Liability Insurance, Fiduciary Liability and Bond Insurance products.
- Responsibility for managing and cultivating relationships with brokers and risk managers.
- Interpretation and analysis of policy forms and coverage grants.
- Assistance in the continued development of rating and pricing tools.
- Regular participation in client meetings.
- Providing clients and brokers with an understanding of Iron-Starr's capabilities.
- The design, placement and servicing of insurance coverages placed in the Bermuda marketplace.
- The development of new product offerings.
- Assistance with the development, training and mentoring of support staff.
- Attending industry events and participation in speaking engagements as appropriate.
- Assistance in the development and implementation of manuscript policy forms.

Required Experience and Expertise:

- A minimum of eight years experience in the Insurance Industry with at least three years of primary underwriting experience for both commercial and financial institution clients is required.
- Detailed product knowledge and primary experience underwriting Transactional Liability, Loss Mitigation, Cyber Liability, Title, Directors & Officers Liability (including A side), Errors & Omissions Insurance, Employment Practices Liability Insurance, Fiduciary Liability Insurance products for both private and publicly listed companies based around the world.
- Experience in developing a delegated authority portfolio and managing subsequent coverholders.
- A proven track record of strong relationships with Lloyd's of London brokers and internationally based brokers and risk managers.
- Previous experience in mentoring and development of support staff.
- Proven experience in handling a large book of multinational accounts.
- Experience working with reinsurers in structuring facultative reinsurance is preferred.
- Strong analytical and problem solving skills.
- Understanding of insurance contract language.
- Strong work ethic and interpersonal skills
- Candidate must be willing to travel on short notice, work evenings and weekends as required.

If you possess the experience and potential required please apply in writing, no later than January 20th, 2017, with a detailed resume to: hr@ironshore.com or deliver by hand to: Human Resources, Ironshore Insurance Ltd., 141 Front Street (7th floor), Hamilton HM19.
