Senior Fire Alarm Technician/Foreperson

BUE
BAC UNIVERSAL ELECTRIC

BAC Universal Electric is Bermuda's longest serving electrical contracting and supply Company. We provide services in all areas of electrical and communication systems. We have an immediate need and invite applications for the position of: Senior Fire Alarm Technician/Foreperson.

Duties and Responsibilities:

- Perform service, verification and inspection on fire alarm systems
- Install, program and commission stand alone and network fire alarm systems
- Read and interpret blueprints, specifications, system software programs, schematics, and manufacturers' standards
- Inspect and install equipment to meet all applicable codes (NPFA-70, 72 and 101)
- Evaluate and diagnose equipment that requires servicing, as well as troubleshoot problems
- Provide specific solutions and recommendations to customers on the most efficient and cost effective methods to return equipment to proper working order

Skills, Qualifications and Experience:

- 10+ years experience as a senior technician within the fire alarm/security industry
- Network and digital voice experience – programming, testing and commissioning
- Sound supervisory background
- Industry recognized certification (NICET, CFAA, fire alarm equipment manufacturers)
- Prior experience with brands such as Notifier, FCI and Simplex
- Canadian Fire Alarm Association (CFAA) certification and/or National Institute for Certification in Engineering Technology (NICET) an asset
- Good verbal and written communication skills
- Excellent computer skills

The company offers a remuneration package and comprehensive staff benefits commensurate with qualifications and experience for the position.

Closing Date: Monday, 23 January, 2017

All applications should be submitted in writing with a resume and references to:
