M&A Captive Manager

Our client, Randall & Quilter Investment Holdings Ltd. ("R&Q"), invites applications for the role of M&A Captive Manager. Specialising in a wide variety of insurance products and services, R&Q maintains a team of over 400 insurance professionals based in the UK, US, Bermuda and Europe, with wide service capabilities in both the 'live' and 'run-off' markets. Currently, there is exciting growth potential in their run-off acquisition activities, with the M&A Captive Manager focusing on the purchase, novation or reinsurance of legacy non-life insurance portfolios.

Duties & Responsibility of the role will include:

- Leading the integration and post-acquisition activities for acquired captives and legacy businesses in the non-life insurance run-off market in Bermuda, North America, and the Caribbean
- Monitoring, analysing, and presenting (financial) performance of acquired business
- Preparation and review of financial statements, quarterly, and annual regulatory filings
- Co-ordinating the annual actuarial reviews and financial statement audits with external service providers
- Preparing monthly and quarterly presentation material and participating in Board meetings
- Acting as the liaison between the M&A team and the broader captive management group
- Working closely with the M&A team to assist in the development of potential acquisition targets

Minimum Qualifications, Skills & Experience:

- Bachelor's degree in Accounting, Mathematics, or similar numerate related discipline
- Recognised professional accounting designation (CA, CPA, or ACCA)
- At least five years post-qualification experience
- Two years recent experience in a captive management role
- Expertise in preparing financial statements with GAAP or related experiences
- Effective communication skills, both verbal and written
- Highly motivated, energetic, and willing to work in a fast paced environment
- Proven ability to work effectively both in a team environment as well as independently
- Demonstrable problem-solving, quantitative and analytical skills
