THE BERMUDA MONETARY AUTHORITY in exercise of the powers conferred upon it by virtue of Section 41(1)(a) of the Insurance Act, 1978, (“the Act”), hereby cancels, at the request of the Insurer listed below, the Class 1 registration granted to the said Insurer under the Act, effective 21st December 2016:-

Northern Fidelity Insurance Company, Ltd.

BY ORDER OF THE BERMUDA MONETARY AUTHORITY

Akilah Wilson
Assistant Director
Bermuda Monetary Authority

Dated this 19th day of January 2017

TRADE AND SERVICE MARKS

GOVERNMENT NOTICE NO. 50

ERRATUM in respect of Government Notice 837
Trade and Service Mark published 28 October
2016

In respect of application No. 54978 COTIVITI in Class 36:

The specification should have read:

Medical insurance case and utilization review and insurance claims adjustment services for healthcare purchasers, payers, providers, and Medicare beneficiaries; medical insurance claims review services, including inpatient claims analysis, medical claims evaluation and management, and network optimization; clinical and coding review services; healthcare benefit management and coordination services; providing healthcare benefit administration services; providing counseling and consulting in the field of healthcare benefits; insurance claim administration consultation services for payer owned PPOs to eliminate out-of-network claims; all included in Class 36.

In respect of application No. B54988 device in Class 30:

The specification should have read:

Coffee, tea, cocoa, sugar, rice, tapioca, sago, artificial coffee; flour and preparations made from cereals, pasta; bread, pastry, biscuits, wraps, sandwiches; constituents for meals; snack foods; confectionery; ices; ice cream; seasonings; honey, treacle; yeast, baking-powder; salt; mustard; vinegar, sauces (condiments); spices; all included in class 30.

In respect of application No. B54989 device in Class 43:

The association should have read:

To be associated with mark nos. 45670, 34500, 54988, 33037, 49792, 49794, 34501, 49791, 52843, 5498, 34502, 45671, 45672, 33035, 33036

In respect of application No. 55004 Device in Class 30:

The specification should have read:

Scientific, photographic, cinematographic, optical and teaching apparatus and instruments; apparatus and instruments for conducting, switching, transforming, accumulating, regulating or controlling electricity; apparatus for recording, transmission or reproduction of sound or images; magnetic data carriers, recording discs; calculating machines, data processing equipment, computers; computer software; house mark for computer hardware and software; data processing apparatus; computer hardware; computer servers; network servers; Internet servers; computer networking and communications hardware; computer network hubs, routers, controllers, switches and wireless access points; computer storage hardware; computer storage servers; computer storage area network (SAN) servers; computer network-attached storage (NAS) hardware; computer and communications hardware for storage area networks; disk backup hardware; disk drives; disk drive arrays and enclosures; redundant array of independent disks (RAID) controllers; host bus adapters; data storage systems comprising computer hardware, computer peripherals and operating system software; integrated IT systems comprising converged computer, storage and networking hardware and software; modular IT systems; computer peripherals; digital signage; magnetic tape units for computers; blank tapes for storage of computer data; memory chips; semiconductors, printed circuit boards, integrated circuits and electronic components; computer operating systems; computer software and firmware for operating computer hardware and peripherals; server software; network software; cloud software; database, data center and data warehouse software; storage software; virtualization software; computer software for configuration, provisioning, deployment, control, management and virtualization of computers, computer servers and data storage devices; software for computer network operation, management, automation and virtualization; computer software for software-defined networking; local area network (LAN) operating software; wide area network (WAN) operating software; computer software for connecting disparate computer systems, servers and storage devices; software for cloud infrastructure management and automation; computer software used for running cloud computing based applications; cloud computer software for use in enterprise applications, database management, and electronic storage of data; computer software for monitoring cloud, web and application performance; computer software for information technology (IT) management, IT infrastructure management, remote IT infrastructure management, IT asset management and inventory, IT process automation, IT device lifecycle management, IT security, IT reporting and forecasting, IT infrastructure fault and performance monitoring, and IT service desk and help desk software; computer software for data protection and data security; computer software for providing security for computers, networks and electronic communications; application and network security software; computer software for monitoring computer network access and activity; computer software for assessing application

security; data and document encryption and decryption software; cryptography software; computer user authentication software; software for information security compliance monitoring, reporting and analytics; IT security intelligence and risk management software; data backup, recovery and archiving software; computer software for data deduplication; database management software; computer software used to read and evaluate content located on global computer networks, databases and/or networks; computer software for application and database integration; search software; computer search engine software; software for searching databases; computer software for creating searchable databases of information and data; computer data warehouse operation and automation software; data center operation and automation software; computer software for data transmission, storage, processing and reproduction; computer software for accessing, querying and analyzing information stored in databases and data warehouses; information and knowledge management software; business intelligence software; computer software that provides real-time, integrated business management intelligence by combining information from various databases; business and big data analytics software; computer software that automates the processing of un-structured, semi- structured and structured information and data stored on computer networks and the Internet; business process insight software; customer relationship management (CRM) software; enterprise resource and risk management software; project management software; records management software; e-commerce software; software development and deployment tools; software development tools for the creation of mobile Internet applications and client interfaces; application testing and delivery software; application and device lifecycle management software; software-defined infrastructure (SDS) software; computer software that provides web-based access to applications and services through a web operating system or portal interface; software to automate and manage utility industry services, operations and billing; software for managing software licenses; all included in Class 9.

In respect of application No. 55005 Device in Class 30:

The association should have read:

To be associated with mark nos.: 55038, 55016, 55004, 55039, 54613, 54615, 55037, 55015, 54614, 55040, 55017, 55018, 55006, 54616.

In respect of application No. 55006 Device in Class 36:

The association should have read:

To be associated with mark nos.: 54616, 55018, 55040

In respect of application No. 55007 Device in Class 30:

The association should have read:

To be associated with mark nos.: 54613, 54617, 55004, 55009, 55015, 55019, 55022, 55037, 55043, 55054, 54622

In respect of application No. 55009 Device in Class 30:

The association should have read:

To be associated with mark nos.: 54613, 54617, 55004, 55007, 55015, 55019, 55022, 55037, 50043, 55054, 54622

In respect of application No. 55385 Device in Class 9:

The specification and the association should have read:
Scientific, nautical, surveying, photographic, cinematographic, optical, weighing, measuring, signalling, checking (supervision), life-saving and teaching apparatus and instruments; apparatus and instruments for conducting, switching, transforming, accumulating, regulating or controlling electricity; apparatus for recording, transmission or reproduction of sound or images; magnetic data carriers, recording discs; compact discs, DVDs and other digital recording media; mechanisms for coin- operated apparatus; cash registers; calculating machines; data processing equipment; computers; computer software; downloadable software and mobile applications; downloadable electronic publications; cellular phones, smartphones; personal data devices, feature phones; laptops, notebook computers, tablet computers, electronic personal organisers; adapters for use with telephones; batteries; battery chargers; bags, cases, and screen protectors for cellular phones, smartphones; laptops, notebooks, tablets, electronic personal organisers; all included in Class 9.
To be associated with mark nos.: 55386, 55387

In respect of application No. 55386 Device in Class 9:

The association should have read:
To be associated with mark nos.: 55387, 55385

In respect of application No. 55387 Device in Class 38:

The association should have read:
To be associated with mark nos.: 55386, 55385

NO. 51

ACTING APPOINTMENT

DIRECTOR OF PUBLIC PROSECUTIONS

His Excellency the Governor has been pleased to appoint Mr. Carrington Mahoney, Deputy Director - Administration, to act as the Director of Public Prosecutions from the 20th to 24th January 2017 or until his return.

Deputy Governor
