Financial Controller

We are currently recruiting for a qualified accountant to fill the role of Financial Controller. Reporting to the Chief Financial Officer, this position supports the CFO and oversees other members of the Finance Department, in addition to assisting with the full spectrum of internal financial activities. The successful candidate must be highly analytical with strong reconciliation skills.

Key Responsibilities will include:

- Managing all financial information and accounting processes including Month End Reports, Management Reports, Quarterly Reviews (including commentary) and Board Packages
- Managing the monthly closing process
- Analyzing and reconciling financial data; verifying and controlling cash and expenses and reviewing/ authorising payments
- Daily review of the Company's pension fund activity, liaising with investment managers and fund accountants
- Preparing annual budgets and quarterly forecasts working closely with all lines of business
- Assist the CFO with annual audits and statutory filings
- Assisting with other ad-hoc projects in conjunction with the CFO

Key Skills, Education & Experience Requirements

- A professional accounting designation. CPA; ACA or ACCA is preferred
- A minimum of five (5) years relevant post qualification work experience. Previous experience within the insurance industry is preferred
- Experience with regulatory reporting would be an asset (BSCR, CISSA)
- Ability to analyze risks, trouble shoot and problem solve
- Excellent communication and interpersonal skills along with the ability to work cooperatively in a team setting and a clear, well organized and professional manner are essential to the success of this position
