

Details Management Ltd

Details Management Ltd. is seeking a Director of Advisory Services

Duties and Responsibilities:

- Providing detailed Consulting and Advisory services to a range of clients primarily in the International business sector
- Project management, including personnel and technology resource allocations and reviews
- Participation in Executive/Senior Management strategy including Board level participation
- Acting as a key representative with outsourced service providers, including acting as Resident Director of Bermuda incorporated and licensed entities
- Management of both personal and staff workloads ensuring consistent high level service delivery within strict reporting deadlines
- Supporting both business development and client relationship activities
- Provide advisory support in accounting, audit and other business related matters
- Support the development and delivery of staff training and mentoring initiatives
- Development and presentation of proposals to senior client personnel; including the drafting of contracts and pricing analysis
- Budget development and maintenance, job costing and profitability analysis
- Support the management of the company's recruitment, accounting consultancy, technology and outsourced payroll operations
- Other internal management and external support responsibilities as required

Requirements:

- A recognized accounting designation with a minimum of 10 years post-qualification experience at a senior level with a record of progressive responsibility. Candidate must possess strong technical accounting and consolidation experience

- A recognized insurance qualification (CPCU, ARé, ARM, ACII) would be advantageous
- Experience and active participation at the Board level
- Previous senior audit experience and a proven understanding of GAAS
- Experience applying U.S., U.K. GAAP and IFRS within the investment and (re)insurance industries
- Experience in all sectors of the Bermuda insurance market including Commercial, Limited Purpose, ILS and Segregated Account Companies covering the BSCR, Code of Conduct and the Enhanced Bermuda regulations
- Detailed knowledge and experience of the Companies, Insurance and Segregated Account Companies Acts.
- Familiarity with and emerging FATCA, and Solvency II requirements
- A high degree of proficiency with the use of Microsoft's Office Suite of products
- A general understanding of both U.S. and U.K. corporate and personal tax reporting requirements
- Candidate must possess previous management experience within an accounting practice; including the supervision of accounting personnel, technical file reviews and GAAP research
- Previous contract review, development and negotiation experience
