Opportunities are at the heart of a career with PwC Bermuda. Be part of a learning culture where teamwork and collaboration are encouraged, excellence is rewarded, and unparalleled coaching and career development programmes are provided.

Our Private Company Services practice provides not just assurance services to a range of clients in the local market in Bermuda, but also accounting services to local and international clients.

Our professionals provide accounting services, ranging from preparing financial statements to accounting and payroll services. We also undertake administrative duties such as the management of banking arrangements including placing funds on deposit, making payments, funding accounts and preparing reports for clients.

We are seeking a Senior Associate to join us for an immediate start. You'll work with a diverse accounting services client portfolio, which includes private enterprises engaged in investment holdings, policy administration, property management, private trusts and the not-for-profit sector.

You'll have the opportunity to work closely with team members of our assurance group, from associate to partner level, on audit clients. Using a combination of substantive testing and controls-based audit approach, you'll be involved in a broad variety of audit engagements from the planning phase through to execution and completion.

## **Responsibilities will include and are not limited to:**

- Project management that includes extensive client interaction;
- Managing multiple year-ends;
- Monthly, quarterly and year-end reporting; and
- Providing assurance and other services to clients ranging from family operated businesses to large private and public entities.

## **Required skills and experience**

The successful candidate will have the following skills and experience:

- University degree with internationally recognized accounting designation required;
- 3-5 years recent experience required, including 2-3 years in an accounting role with experience on the day to day recording of accounting transactions, payroll administration, managing of client's banking arrangements and other client administration work, and 1-2 years audit experience gained in a public accounting environment; Supervisory experienced preferred; and
- Experience with financial statement preparation in accordance with management accounting principles and working experiences of IFRS and Accounting Standards for Private Enterprises is essential.

## **Other requirements**

- Due to month end reporting deadlines, flexibility to work beyond core office hours will be required from time to time
- Ability to work independently or with minimal supervision
- Excellent team player with strong people skills; and
- Excellent communication (verbal and written communication skills in English), organisational, and interpersonal skills.
