

## Head of Casualty Reinsurance (Bermuda)

MS Amlin is a leading independent insurance group operating in the Lloyd's, UK, Continental Europe and the Bermuda markets. On 1 February 2016, MS Amlin was acquired by the Japanese Tokyo based MS&AD Insurance Group. There are compelling reasons for our brokers and clients to work with us; the empowerment and skill of our people, our well capitalised operating platforms, the strength of our ratings, and the locations where we operate to name but a few. The value we add is also reflected in the many industry awards MS Amlin has received.

**We are currently looking for a full-time position in our Bermuda office:**

### The role

- Responsible for specific client portfolios of business, both strategically and tactically.
- Responsible for taking the lead in underwriting specific client portfolios in accordance with the MS Amlin Reinsurance SBU business plan.
- Effective management of a team of underwriters as appropriate and acting as a member of the senior management team of the SBU.
- Quote and underwrite casualty reinsurance business through the London broker market.
- Review a broad cross section of risks, quotes and endorsements within an assigned portfolio.
- Analyse market and target potential new clients, brokers and products.
- Maintain and build relationships with existing clients and brokers.
- Develop in-house experience and exposure pricing models, systems and reports for individual accounts and the portfolio as a whole.
- Assist in analysing quarterly figures and producing necessary projections to identify reserving levels required.

### Profile

- Established minimum of 10 years reinsurance underwriting experience working within both the Bermuda and London reinsurance markets.
- Proven track record of building and underwriting a profitable US casualty reinsurance portfolio.
- Existing good working relationships with both US clients and Bermuda, US and London based brokers.
- Proven ability to think strategically and input effectively.
- Must have hands-on experience with casualty reserving and have strong actuarial pricing skills.
- Possess the capabilities for strengthening client/broker relationships along with well-developed business and social skills.
- Good understanding of relevant risk, regulatory and legal requirements.
- Proven team leadership skills.
- Ability to work and effectively manage matrix relationships.
- High level of influencing and negotiating skills.
- Financial and commercial acumen.

### Culture

The following Cultural Behavioural Indicators are what sets us apart and is at the heart of the MS Amlin culture:

Client Centric:	Places clients at the centre of decision making; develops propositions that are fair, relevant and useful
Innovative:	Thinks about future possibilities and outcomes that can shape success in original ways
Empowering:	Provides opportunities and support for colleagues to grow and succeed
Collaborative:	Able to work as 'one team' to gain commitment and results to ensure success for all
Accountable:	Acts with integrity to deliver on commitments, ensuring the same for others
Disciplined:	Ambitious and disciplined in setting and achieving goals
