- Preparation and analysis of financial planning reports;
- Preparation and analysis of internal reports;
- Maintenance and control of forecasting systems and processes;
- Preparation and analysis of model comparison including estimates from analysts;
- Assisting with other projects as they arise.

The successful candidates will meet the following requirements:

- CA, CPA, ACA or other equivalent accounting designation required;
- A minimum of 10 years of post-qualification experience in a corporate role within the insurance/reinsurance industry;
- A working knowledge of US GAAP;
- Proficient in the Microsoft Office suite, particularly MS Excel;
- Experience with SUN General Ledger system or similar system;
- Experience with multi-dimensional databases preferred;
- Knowledge of Lloyds' insurance market and accounting is an asset;
- Experience with financial modeling and multi-currency consolidations;
- Proven ability to communicate effectively at all levels of an organization;
- Successful track record of project/system implementation;
- Experience within a SOX environment and implementation of controls;
- A natural ability to use initiative and self-manage whilst being able to work well in a fast-paced and dynamic environment;
- Strong analytical skills and excellent attention to detail;
- Effective interpersonal and communication skills;
- Ability to work long hours as and when required including weekends and Bermuda public holidays.

If your experience and ambition matches the above criteria, please send your resume and covering letter highlighting your experience as relevant to the role to:
