## **We're hiring Finance Manager**

We are seeking a Finance Manager to provide direct internal finance support for the Caribbean and Bermuda Countries (CBC) Finance Shared Services network. As the CBC Reporting and General Ledger Subject Matter Expert you will manage processes, policies and leverage best practices to ensure consistent application across the CBC. Based in Bermuda, this role will report to the CBC Finance Reporting Leader and Senior Management.

### **The standard responsibilities of a Finance Manager include:**

- Assist with all relevant Deloitte Global Reporting and liaise with team members across the CBC to ensure results can be produced accurately and deadlines are met
- Assist with reporting/stakeholder reporting and communications to CBC Functional Leaders
- Assist with regular reviews of group reporting and accounting policies that ensure compliance with Deloitte Global member firm standards
- Maintain client service-type relationship with all professional levels and stakeholders, ensuring the highest level of service
- Develop a strong internal and external network to bring best practice insights into the region and to keep abreast of changing systems and practices
- Responsible for working with other CBC Finance Subject Matter Experts to ensure the accurate and efficient flow of data into the General Ledger from Time & Billing and Payments/Payables systems
- Manage projects for General Ledger upgrades/enhancements as approved by the CBC CFO
- Consult with key stakeholders to understand user needs and liaise with vendors on any system enhancements or changes, as needed
- Development of dashboards and other simplified and easy to use information for stakeholders at all levels including Key Performance Indicators (KPI's) for partners
- Maintain and develop reporting systems and accounting processes

### **The standard requirements of a Finance Manager include:**

- Member of a recognized accounting body (CPA, CA, ACCA or ACA)
- A minimum of 5 years' relevant finance experience in a professional services organization
- Working knowledge and understanding in several of the following financial systems is preferred: Practice Engine practice management system (time and billing), Infor Sun G/L System, Nexus Expense Management System, Vena Software Solutions – budgeting
- Ability to prepare accounts to a high standard
- Proficiency in Microsoft Suite
- Ability to manage multiple projects concurrently
- Strong commitment to providing professional client service excellence
- Excellent communication skills, prioritization and organization skills and ability to work and report in a virtual environment
- Willingness to be able to be an advocate for and adapt to change
