

## **Musician/Composer**

An adult musician is required to play lead, rhythm, and bass guitars. The applicant must also perform lead and back-up vocals as well as piano/keyboard and use a looper pedal while performing when needed. A large repertoire of songs ranging in genre from jazz, classic rock, pop, funk and reggae is required. The skill to write original material with an understanding of how to work with a band is a must. Gigs may range from duets to a full band. A minimum of 5 years experience performing live on a consistent basis is required. Resume/references giving details of performing experience is required. The applicant must have their own instruments and equipment.
