Senior Financial Accountant

Our client, Arch Reinsurance Ltd. (Bermuda), provides specialty property, casualty and life reinsurance products through reinsurance intermediaries worldwide. These programs range from Property Catastrophe and Property Excess of Loss Reinsurance to Professional Liability and Marine Treaties. Our Bermuda-based operation has a strong, proven management team, a commitment to underwriting discipline, and financial strength that is rated A+ (Superior) by A.M. Best and A+ by S&P.

Senior Financial Accountant

The Senior Financial Accountant will report to the Deputy Controller and will be responsible primarily for the management of the underwriting operations.

Key Responsibilities:

- Prepare all financial reporting for the Insurance division
- Manage retrocession agreements and related reporting including the calculation of complex retrocession arrangements and maintenance of third party financial records
- System development for retrocession and budget requirements
- Perform Bermuda and US statutory reporting and ensure compliance with statutory requirements and liaise with other group companies to ensure compliance with inter-company agreements
- Prepare consolidated financial data for the company and all subsidiaries
- Compile SEC disclosures
- Monitor foreign currency exposure and corporate expenses
- Prepare annual and quarterly underwriting and operational budgets

Minimum Qualifications, Skills & Experience:

- Professional accounting qualification (CA, CPA, ACCA) with a minimum of five years of post-qualification professional experience of which at least three years has been spent with a reinsurance company
- Experience with building and/or maintaining budget models within Microsoft Excel and Access
- Experience in calculation and management of complex retrocession arrangements
- Experience with systems development including defining scope, developing and executing test plans, liaising with users, training and implementation
- Proficiency in US GAAP for insurance and reinsurance reporting and experience with SEC reporting
- Experience in Bermuda Statutory reporting and knowledge of current statutory requirements
- Proficient in Microsoft Office suite of applications, with advanced Excel and Access skills

This challenging role will require the successful candidate to have the willingness and flexibility to work extended hours, including weekends and public holidays as required.

Arch offers an attractive compensation and benefits package and the opportunity for growth in a dynamic business environment.

Interested? Please email jobs@expertise.bm.

All enquiries will be dealt with in strict confidence.

Closing date: April 4, 2017
