

San Jai Co. Ltd.

is in search of hard working, reliable, self-motivated individuals to fill the following positions.

Nail Technician / Hair Stylist

An individual to provide both hair and nail services. Manicures, pedicures, application of acrylic and gel nails and decorative nail art. Also, provide hair services, such as shampooing, cutting, coloring and styling hair. The ability to do braiding and all weaving techniques is a must.

Nail Technicians

Individuals to provide all nail services. Manicures, pedicures, decorative and airbrushed nail art, application of acrylic and gel nail enhancements and extensions. Nail repair and other specialized hand and foot treatments. Interested individuals must also be able to use specialist tools and electrical equipment. Maintain safe work practices and hygiene standards and knowledge of current industry standards and practices.

The above positions require applicants to have a neat personal appearance, a genuine interest in people, be a team player, computer literate and have a creative and artistic ability. Individuals must be flexible and able to work long hours as needed as this is a service industry.

Applicants must possess qualifications equal or similar to City and Guilds and have a minimum of 3 years' experience for the above positions.

Deadline: April 20, 2017
