SAFETY INSTRUCTIONS TO BE PROVIDED TO THE DRIVER

The rule of the road in Bermuda is to the left. Keep as near to the left as practicable, unless about to overtake or turn to the right. (This rule does not apply where there are special traffic arrangements as in one-way streets or roundabouts.)

The maximum speed limit in Bermuda is 35kph; in St. George it is reduced to 25kph. There are penalties for speeding on Bermuda's roads. Keep to the speed limit and enjoy Bermuda safely.

There are severe penalties for drink driving on Bermuda's roads. Do Not Drink and Drive.

There is a penalty for driving without a seat belt in Bermuda. Please remember to Buckle Up.

Take special care when it is raining, when light is bad, or when roads have a loose surface, or are wet, slippery or otherwise dangerous.

A single yellow line means no waiting or parking on either side of the carriageway. Only overtake if it is clear and safe to do so.

Lock the minicar when it is parked.
