### **VICE PRESIDENT**

Aon Insurance Managers (Bermuda) Ltd. provides clients with captive, insurance management and consultancy services. We are seeking to employ a Vice President. The successful applicant will be responsible for the day to day management of a team within our Client Services Department dedicated to serving a portfolio of captive and commercial insurance clients. As a member of the management team, the Vice President will also be responsible for ensuring that company quality standards and profitability requirements are met with respect to his/her own portfolio of client accounts. The position may involve some business-related travel.

*The successful candidate will be required to perform the following duties:*

- Ensure that all financial, insurance and management activities are performed efficiently, effectively and accurately.
- Ensure that appropriately qualified and trained staff are available to meet planned workloads.
- Lead, train and develop staff in order to maintain the necessary expertise.
- Review and approval of management and audited financial statements.
- Review and approval of regulatory reporting requirements.
- Attendance and participation in client meetings, including director and/or officer roles.
- Participation in new business development.
- Actively developing additional services to existing clients.
- Maintenance and development of client relationships, Aon and other external service provider relationships.
- Active participation in the management of the Client Services department.

*Position requirements:*

- An accounting designation (CA, CPA, ACA, ACCA)
- Insurance designations would be beneficial.
- A minimum of 10 years of recent experience in the captive insurance industry.
- Working knowledge of alternative insurance products including Segregated Account Companies, Rent-A-Captive and Special Purpose Insurers.
- Prior experience with long-term business and the related Bermuda regulatory framework.
- A comprehensive understanding of relevant Accounting Standards (US, IFRS and UK GAAP) and their application to insurance companies.
- A comprehensive understanding of The Bermuda Insurance Act and insurance regulatory environment.
- Knowledge of US taxation as it applies to captive insurance companies.
- A strong track record of client service including commitment to meet tight deadlines, which may involve working evenings and weekends.
- Strong communication and organizational skills.
- Prior supervisory and personnel management experience.
