

Actuarial Associate – Pricing/Modeling

Athene Bermuda Employee Co. Ltd., a wholly owned subsidiary of Athene Holding Ltd., is seeking a dynamic and proactive individual to join its actuarial pricing team.

Role and Responsibilities include:

- Build and maintain detailed actuarial models to illustrate and analyze profitability of existing and potential reinsurance transactions;
- Produce analysis, including sensitivity testing to ensure pricing meets internal profit targets and risk management criteria;
- Assist in the monthly rate setting analysis for existing clients for both new and renewal business;
- Creating automated processes to assist in pricing and reporting efficiencies;
- Maintenance and documentation of actuarial assumptions, pricing standards and models;
- Tracking and reporting experience on actuarial assumptions to provide a validation to current pricing assumptions and emerging profitability trends on existing business;
- Analyzing and critiquing client company pricing assumptions and methodologies;
- Interacting with investment and risk managers to appropriately construct and implement investment portfolios for use in pricing;
- Participating in negotiating and developing reinsurance contracts; and
- Integrating pricing models and assumption into the inforce reporting process.

Credentials and Experience:

- Bachelor's degree in mathematics, actuarial science or related field;
- Passed at least 3 actuarial exams and working towards the Associate of the Society of Actuaries (ASA) or higher;
- 3+ years of experience working in life insurance industry;
- Actuarial projection and valuation software experience is essential with MG-Alfa knowledge preferred;
- Experience in product development, pricing and/or risk management of fixed rate and indexed annuities preferred;
- Advanced user of Microsoft Excel and programming skills (VBA, SQL) will be an asset;
- Ability to interact with internal senior management; and
- Excellent oral and written English language skills.

Interested applicants should email their resumes, including cover letter to HRBDA@athene.bm (reference: Actuarial Pricing). All resumes will be handled in complete confidence.

Closing date for applications is June 9, 2017.
