

We're writing the future of risk. Come join us.

Hamilton Re is the Class IV Bermuda reinsurer of Hamilton Insurance Group, the Bermuda-based holding company for insurance and reinsurance operations that underwrite property and casualty risks in Bermuda, the United States and at Lloyd's. Our company leverages analytics and research to create underwriting and investment value for our clients and shareholders.

We're looking for an Underwriter, Casualty Insurance

Reporting to the Chief Underwriting Officer, Casualty Insurance, this professional will be an integral member of Hamilton Re's excess casualty team contributing to all phases of the underwriting process.

In doing this and other tasks, you must also want to push the limits of your knowledge and skills. We at Hamilton Re are serious when we say we're writing the future of risk; and we need truly ambitious professionals to help us shape that future for our industry.

What you will help us do

In keeping with the aforementioned overarching responsibilities, you will be asked to carry out a number of specific actions:

- Participate in business development efforts through marketing and underwriting meetings
- Assist in developing pricing and cash flow modeling tools
- Carry out risk review, analysis, and pricing
- Negotiate policy terms and conditions
- Communicate underwriting decisions to brokers
- Assist in administration and management reporting of the portfolio
- Other ad hoc duties and projects as required

What you require for the job

- Minimum 3 years of casualty underwriting experience or proven ability to work closely with underwriters and brokers is required
- University or college degree, ideally with a concentration in a quantitative discipline (i.e., Data Science, Economics)
- Proven ability to work closely with brokers and negotiating terms and conditions
- Strong computers skills including Excel and Access are necessary, programming skills would be an advantage
- Strong communication and interpersonal skills
- Ability to work independently within a small team, with an emphasis on accuracy and timeliness
- Solid understanding of US GAAP and Statutory reporting, international experience is a plus
- Willingness to work overtime as required
- Ability to partner and work across functional areas to achieve organisational goals

Beyond asking you to take all these actions and fulfill these requirements, we will ask you to Be smart, Be sensible, Be open and, above all else, Be more—strive harder, reach further, never give up. These First Principles are the intellectual and moral compass of everyone at Hamilton. They shape the way we build our team, the way we work and the way we will prosper.
