

# Actuarial Analyst

Oil Management Services Ltd. has an opportunity for a dynamic individual to join our team in the position of **Actuarial Analyst**. Reporting to the Chief Actuary, this position requires an individual with a strong analytical background, excellent communication skills and the aptitude and competence to work with minimal direction.

## KEY DUTIES AND RESPONSIBILITIES INCLUDE:

- Provide analytical support to the Chief Actuary on a daily basis.
- Develop and enhance proprietary loss models, pricing models, dynamic financial analysis models and business intelligence reports.
- Provide analytical evaluations of reinsurance treaties (assumed and ceded reinsurance).
- Perform quarterly loss reserve reviews by line of business and liaise with external actuarial consultants.
- Work with various departments to gather data needed to populate rating agency and regulatory capital models.
- Assist in projects to improve the actuarial modeling workflow, automate processes and increase operational and reporting efficiencies.
- Other related duties, as required.

## QUALIFICATIONS AND EXPERIENCE:

- An undergraduate or graduate degree from an accredited university in Actuarial Science, Mathematics, Statistics or Finance.
- A minimum of three years related work experience within the property/casualty (re)insurance sector.
- Successful completion of at least three actuarial exams with a commitment towards attaining ACAS or FCAS.

## REQUIRED COMPETENCIES, SKILLS AND ABILITIES:

- Highly proficient in Excel and MS Office suite.
- Strong spreadsheet and database application skills.
- Excellent verbal and written communication skills.
- Detail oriented with advanced analytical and problem solving skills.
- Self-motivated with the ability to work well in a small and highly efficient team.

If your experience, talents and ambitions match our requirements, we would like to hear from you. Oil Management Services Ltd. is an equal opportunity employer and is committed to training and developing its employees.

Please apply in confidence and in writing, including your resume and a detailed cover letter setting out why you are a good fit for this role, by email to:
