KPMG Advisory is looking for a Senior with experience and a proven track record in managing a diverse portfolio of restructuring engagements and working with multi-disciplinary teams to deliver services in all or some of the following areas:

- Insolvent liquidations;
- Solvent liquidations, including members voluntary liquidations;
- Receivership appointments over a wide range of assets; and
- Forensic services, in particular, asset tracing and corporate intelligence associated with restructuring cases.

The successful candidate must have the following qualifications, skills and attributes:

- A bachelors degree or above;
- A minimum of two (2) years of experience in an advisory business providing restructuring and related services for both corporate and personal cases;
- A good knowledge of the restructuring process under Bermuda and / or English law and experience in preparing update reports on case progress is required;
- A professional qualification in restructuring or insolvency is preferred e.g. CPI or JIEB;
- Strong organisational and administrative skills are essential;
- Excellent interpersonal and client relationship skills are essential;
- First class written and oral communication skills;
- Experience of working with senior management on complex cross border engagements with a multi jurisdictional team;
- A high degree of competence in Microsoft Word, Excel, Powerpoint and Outlook;
- Be a strong team player;
- A self-motivated individual with the ability to multi-task on a daily basis and maintain high levels of drive and resilience; and
- A willingness and capacity to work overtime at short notice is essential as this is a highly demanding environment with very tight report deadlines.
