## DIRECTOR OF HOSPITALISTS SERVICE

### *MEDICINE DEPARTMENT, HOSPITALIST SERVICE*

BHB ensures the highest in quality health care through service excellence, education and leadership. We seek qualified, highly motivated, and experienced professionals to work in a supportive but demanding environment. We are seeking a Director of Hospitalists Service to be responsible for setting the quality agenda and managing the relationships among the various physician activities of the BHB Hospitalist Service.

#### **Key responsibilities include:**

- Practice direct patient care within the hospitalist services program
- Accountable for the delivery of quality medical care to patients/clients of the service
- Assure hospitalist services representation in all facility/physician integration activities
- Provide leadership and development of the BHB's clinical quality agenda in accordance with Corporate Strategic Plan, including consistent performance targets and metrics, setting a standard of care, measuring and improving clinical outcomes, and disseminating best practices
- Work closely with the Chiefs of Staff and Medicine to ensure BHB Hospitalist Services meet both integration of patient care standards and alignment of clinical programs to achieve excellent programme outcomes
- Participate in the development and administration of consistent education and credentialing standards and processes
- In collaboration with Clinical Managers/Directors and other allied health professional staff, facilitate problem solving and discharge planning
- Ensure that the COS, Risk Management, Clinical Director and Managers are fully informed of any known significant risk situations involving patient care, communications, or disruptive behaviours involving patients, families or staff
- Be responsible for and implement timely clinical morbidity and mortality reviews and peer-review regarding adverse events, alleged inadequate clinical care or patient complaints raised and entered into Quantros by nurses, other clinicians or quality care and Risk Management Staff

#### **Qualifications &/ Registration required:**

- Board Certified in Internal Medicine
- Minimum of 5 years' experience in hospital medicine
- Successful completion of a management course preferred
- Current registration with Medical Council in relevant jurisdiction & eligible to register with Bermuda Medical Council
- Specialty board certification or equivalent in internal medicine

Application deadline is **June 30<sup>th</sup> 2017**. Pre-employment substance abuse screening is mandatory for all successful candidates.

If you want to make a difference, and if your experience and qualifications match the above criteria,

**visit [www.bermudahospitals.com](http://www.bermudahospitals.com), and apply through BHB Jobs NOW.**

Select "Work at BHB" and follow the steps.
