

Experienced Landscape/Hardscape Gardener/Supervisor

Our client, Bermuda Brickyard Limited, is looking for a Landscape/Hardscape Gardener/Supervisor with a minimum of 3 years' proven experience, in both landscape and hardscape work and who is capable of all masonry techniques relative to brick laying, pavers, tile and stone settings and all forms of stonework in the construction of walls, driveway/walkway installation and patios; with the knowledge of constructing Bermuda stone dry stack walls. The successful applicant must have complete knowledge of landscape/hardscape power tools and equipment used in the trade, with the ability to maintain and repair the tools as needed. Must have the ability to understand the landscape/hardscape plans as per client requests, and assist with estimates and associated costs.

The position requires the applicant to liaise with clients and employees and will be required to supervise the work of others to identify and ensure the correct lawn care, the correct weed and insect control procedures are applied, hedge and grass cutting, and must know the proper pruning of shrubs, trees and plants.

In addition, the candidate will provide occasional maintenance services when necessary. Must have a valid truck licence, have own transportation and be willing to work weekends. Interested applicants are invited to submit their resume and two written references to:
